Treaty With Noricerm

Treaty Outline

The Grand Western Ascendancy presents a non-aggression pact with The Noricerm Realm providing clear limits and military cooperation.

The Noricerm Realm and The Grand Western Ascendancy are to honor the following agreements unconditionally:

1. CaabLeistung, owner and Emperor of The Noricerm Realm, will remain out of the German aesthetic.
- **1.1.** Unlike other long time enemies of the Allies who have claimed to have changed their ideological worldview yet have stuck to the militarism and extremism of the Third Reich; the Allied High Command believes that Noricerm is undergoing a genuine change by switching out of Germany and into Switzerland.
- **1.2.** This will be unconditionally followed until this treaty is broken.

2. CaabLeistung, owner and Emperor of The Noricerm Realm, will condemn and not follow the ideologies of National Socialism and German Militarism.
- **2.1.** Similar ideologies will not be followed, nor promoted among The Noricerm Realm.
- **2.2.** This will be unconditionally followed until this treaty is broken.

3. The Grand Western Ascendancy and The Noricerm Realm will not tolerate doxxing and unauthorized sharing of personal information within their own communities.
- **3.1.** Additionally, there will be no such efforts to dox the enemies of The Noricerm Realm or The Grand Western Ascendancy
- **3.2.** This will be unconditionally followed until this treaty is broken.

Treaty With Noricerm Continued

4. The Grand Western Ascendancy and The Noricerm Realm will provide military cooperation to each other as needed, working together against the forces of Axis & German Militarism.

4.1. Further structure to military cooperation will be organized by the military commanders of both The Grand Western Army and the Armed Forces of Noricerm Realm.

4.2. This will be unconditionally followed until this treaty is broken.

5. The Noricerm Realm will under no circumstances discriminate against its members based on race, gender, and sexual orientation. Any such instances of discrimination seen by Allied observers and authorities will result in the immediate dismissal of the pact.

5.1. It has been agreed upon that people should not use their sexual interests to harass other members within their groups regardless of sexual orientation. This is deemed inappropriate as ROBLOX is a childrens gaming platform.

5.2. This will be unconditionally followed until this treaty is broken.

6. Any and all past immoral and non optical acts committed by The Noricerm Realm are hereby forgiven. However, any such conclusions or revelations that show that this agreement has been a lie in order to personally advance The Noricerm Realm will result in the dismissal of the pact.
